The views across the lakes and wetlands are spectacular, particularly when the breeze is low and the surrounding trees reflect in the water. The fountain in the lake along Berwick Springs Promenade shoots skyward and is in a small way reminiscent of Las Vegas. This lake also has a small sand beach near the entrance to the park and seagulls and ducks frequent the area much to the delight of the children. Take a restful break on the lakeside seats, lean back and look out over the water.
